REFEREES

Mr. Joe L. Farmer

Principal

As your principal during your four years at Yonkers High School I have gotten to know much about you as individuals, and as the graduating CLASS of 1980. It seems fitting that you should look toward your future at the onset of a new decade. The next ten years will be the most challenging of your life time since you must accept the responsibilities and face the challenges of a fast paced world. The speed with which change and challenge occur will tax your confidence, so you must continue to prepare yourself for the difficult years ahead

As individuals, you must acquire all the knowledge and experience you can to compete successfully in an increasingly competitive and inflationary world. While jobs may seem fewer, they are simply being transposed to more skilled and technically manipulated arenas

My message to you, the CLASS of 1980, is to prepare yourself academically, socially, and to develop a keen sense of judgement that will enable you to succeed no matter what your endeavors

Dedication

The four years we spend in high school are sometimes trying, demanding, difficult and a frequently emotional period of time. To help us through these years, we look toward our friends, parents and teachers for guidance. It is rare that any one individual can fill all these roles to ease our path through uncertainty, but we have been fortunate to find that rare individual in you. You followed us through our freshman year and guided us toward that day we long awaited - GRADUATION. We will long recall your encouragement and persistence. For countless reasons, we, the Class of 1980, dedicate this copy of Blackboard to you, Lloyd Wallace.

Kaori Abe:

You Brought
The Orient
To Yonkers High

Yonkers High has had the honor and pleasure of hosting its first foreign exchange student, Miss Kaori Abe. Kaori is a native of Tokyo, Japan, where she lives with her parents and brother. While in Tokyo she attended the high school affiliated with the University of Tokyo.

This past year Kaori has learned a lot about American life and the ethnic diversity of the students in Yonkers High School. While at Yonkers High she was an active member of the Y.H.S. swim team and developed a taste for "American food". She is an avid volleyball player and expert on Japanese origami. Kaori will return to Tokyo in July and we at Y.H.S. will miss her very much.

CLASS HISTORY

After 22 years of reflection on the CLASS of 1980, we have decided to share some of our memories.

some memorable moments

The first time we saw a person who was not a member of the class, we were all so excited that we had to go to the gym floor to see if we could find them.

the gym floor

Just before the first class meeting, we were all so excited that we had to go to the gym floor to see if we could find them. Mr. and Mrs. [Name] were the first to go to the gym floor to see if we could find them.

Hello, Ricky!

"Faith is the Key to Heaven"
Oh, Father, grant once more to men
A, simple, childlike Faith again,
Forgetting color, race and creed
And seeing only the hearts deep need....
For Faith alone can save man's soul
And lead him to a higher goal,
For there's but one unfailing course...
We win by Faith and not by force
God be with you Always

TO MARIA.

I HAVE TO LIVE WITH MYSELF AND SO,
I WANT TO BE FIT FOR MYSELF TO KNOW
I WANT TO BE ABLE AS DAY GO BY,
ALWAYS TO LOOK MYSELF STRAIGHT IN THE EYE,
I DON'T WANT TO STAND IN THE SETTING SUN,
AND HATE MYSELF FOR THINGS I'VE DONE.
I WANT TO GO OUT WITH MY HEAD ERECT;
I WANT TO DESERVE EVERYONE'S RESPECT.
FOR HERE IN STRUGGLE, FOR FAME AND SELF,
I WANT TO BE ABLE TO LIKE MYSELF.
I DON'T WANT TO ~~BE ABLE TO~~ LOOK AT MYSELF AND KNOW,
THAT I'M BLUSTERED AND BLUFF AT EMPTY SHOW
I NEVER CAN HIDE MYSELF FROM "ME;"
I SEE WHAT OTHERS MAY NEVER SEE
I KNOW WHAT OTHERS MAY NEVER KNOW.
I NEVER CAN FOOL MYSELF AND SO,
WHATEVER ~~IT~~ HAPPENS, I WANT TO BE
SELF-RESPECTED AND CONSCIENCE-FREE.

LOVE YOU ALWAYS,

BOBBY
